Safety Warning

Do **NOT** use the RoadWarrior™ while driving a vehicle.

How to Install the RoadWarrior™

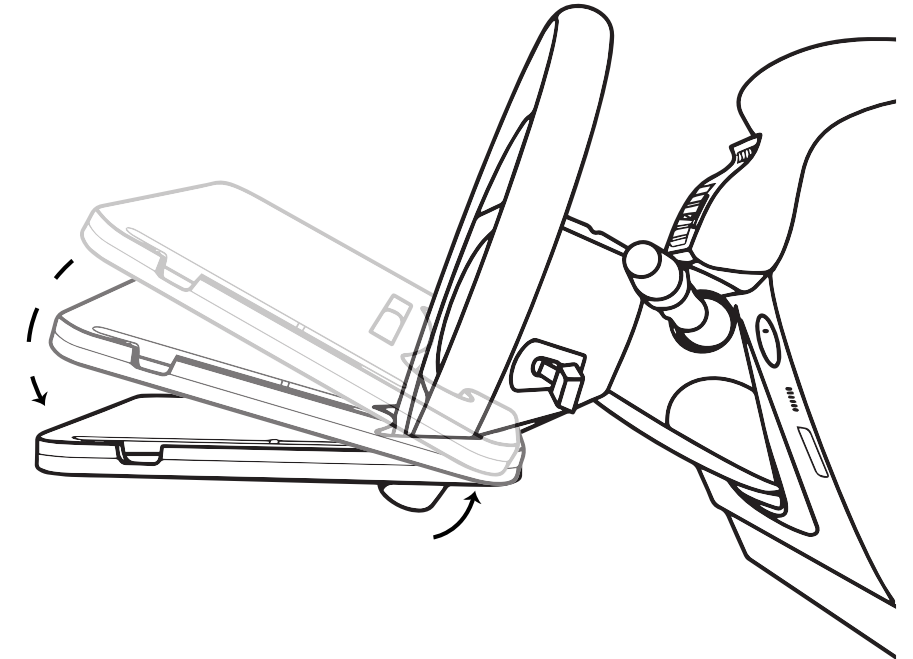

1. With the desired side facing up, place the RoadWarrior™ at the bottom of the steering wheel at a 45° angle.
2. Hook the Grips on the steering wheel and rotate the RoadWarrior™ down until it is firmly attached.

TIPS:

- Try rotating the steering wheel if the RoadWarrior™ does not fit securely facing upwards.
- Move the driver's seat back for added comfort.
- Adjust the height of the steering wheel to customize the desk positioning.
