Clean and sanitize often. The use of this Screen Cleaner is a supplement to and not a substitute for standard infection control practices; users must continue to follow best practices, including those practices related to cleaning and disinfection of devices and surfaces.

Clean the microfiber with soap and water. Routine cleaning to remove dirt and filth is necessary for good sanitation and to assure the wiping surface is effective.

**NOTE:** Always put the Screen Cleaner in the clear case after each use to contain bacteria and limit cross-contamination.
